Council Against Dams In Tow Ditch

Hugo Boe, new councilman, group two, George Tucker, Jr., re-elected Councilman, group one, and Miss Patsy Batchelor, re-elected city clerk, were sworn into office by Mayor Dick Parrish at the regular meeting of the Pahokee City Council Monday night, following which the Council, in the absence of Councilman Edgar Wilder, voted to re-organize on a temporary basis until such time as when a full body is in session.

Mr. Boe was assigned the duties of office vacated by Mrs. Blanche Armstrong who was given a round of applause by those attending the meeting for her work on the Council the past two years. He will serve as fire and parks commissioner and Council president pro temp. Other Council members, city officials and employees will continue with their duties as in the past, on a temporary basis.

After hearing protests by representatives of the Parent-Teacher Association and the Woman's Club on the use of S. E. First Street as a downtown truck route, because of the danger of such a route to elementary school children, the Council, in an effort to work out a suitable bypass route for both north and southbound truck traffic, voted to petition the Palm Beach County Commission that the new Hooker Road be designated as a truck route. The Council, which has been mulling over the knotty problem of truck traffic in the downtown section of Pahokee for a long time, promised some action would be taken to alter the present (continued on page 8)

Board Approves Gymnasium Plans

Plans for a new gymnasium at Pahokee High School have been approved by the County Board of Public Instruction and sent to the State Board of Education at Tallahassee for approval, according to T. W. Knight of Pahokee, member of the County Board.

The plans, as drawn up by the architect on recommendation by Coaches Web Pell and W. D. Howard, call for a 102 by 105-foot building with bleachers to have a seating capacity of 576. The bleachers will be designed so that they may be folded back when not in use to increase the floor space of the gym for physical education classes.

The new gym will be located east of the band building and local school officials hope it will be completed in time to be used for basketball next season.

Pahokee Senior Class Celebrates Skip Day

The Pahokee High School Senior Class left early Friday morning by chartered bus on the annual class skip-day trip. The Seniors plan to spend the most of the weekend on the beach at Daytona Beach and will return home Sunday night. They were accompanied by Marvin Thompson and Lawrence Terry, faculty sponsors, and by the Senior Class room mothers.

Selections Made To Attend Boys' State

Jim Cox of Pahokee and Bobby Mobley of Canal Point, both members of the Pahokee High School Junior Class, have been selected by the faculty to represent the school at Boys' State in Tallahassee this summer. They will be sponsored at Boys' State by the Pahokee American Legion Post 90.

Sandra Adams Is Named Valedictorian

Sandra Adams, with the highest scholastic average in the Pahokee High School Senior Class, has been made valedictorian of the 1957 PHS graduating class, and Lory Ann Rockwell, with the second highest average, salutatorian, according to an announcement by Principal Clyde A. Canipe.

Pahokee Jaycees Is First Place Winner

The Pahokee Junior Chamber of Commerce in competition with other Jaycee groups throughout Florida was awarded first place for the best Jaycee project for the year and another first place for the best profit-making project for the year at the State Convention in Fort Lauderdale, May 10-12.

Both of these awards were based on the Pahokee Jaycees' remarkable success, throughout its Pahokee Marina Corporation, of operating the new Pahokee Harbor the past year for the City of Pahokee. Following the completion of the new breakwater, the City of Pahokee advertised for a harbor operator and when it became apparent it would be difficult to find suitable operator the Jaycees decided to make a bid to operate the harbor as a Jaycee project and formed the Pahokee Marina Corporation to enter contract with the city to operate its harbor.

Starting on a shoestring with little capital the PMC, greatly assisted by sensational runs of speeded perches, in a few months had developed the harbor into one of the most popular fresh water fishing centers in South Florida and at the same time had made it a convenient and attractive haven for small boats in Lake Okechobee waters. PMC now has several rental boats of its own docked at the harbor for the convenience and pleasure of visitors.

The two scrapbooks relating to the Pahokee Harbor operational project which were entered in the State Convention contests to win two first prizes will also be entered in national competition at the Jaycees' National Convention in Milwaukee, Wisc., next month, according to Charles Brown, president.

Delegates representing the Pahokee Jaycees at the State Convention were President Charles Brown, Vice President Oscar Dobrow, Treasurer Frank Gillis and L. Duke. Also attending from the Pahokee unit were Milton Salvatore, Joe Sims, Dr. R. C. Lane and Donald Farr.

The St. Augustine Historical Society is investigating the historical value of six hand-hammered copper kettles dredged from the ocean floor 75 miles off the Florida coast.

Bids Received For Lighting Airport

An offer from J. R. Hime Electric Co. for installation of lights at Pahokee Airport was the apparent low bid for work received this week by the county commission.

The Hime firm bid \$5,820; Bentley Electric Co. of Quincy, \$6514; and Arrow Electric Co., West Palm Beach, \$8,130. The bids were referred to the county engineering department for tabulation and award to the best bidder.

In another action this week, the commission declined an invitation from the City of Delray Beach for a trade of city-county lands. A 32-acre tract sought by the city in re-creation for five acres of municipal property, is located near Lake Ida and the commission voted to hold the county land for park development around the lake.

The board also: Approved a lease with the U. S. Department of agriculture for use of county land near the prison stockade for experimental purposes.

Authorized Commissioner Roy Michael to arrange for clearing a plot of State Road 9 right of way in Lake Worth in accordance with municipal requirements.

Authorized Commissioners Kenneth Foster and Lake Lytal to confer with road department officials at Tallahassee on future plans for State Road-9 and other county roads.

Letter To The Public:

What is a Youth Center? It's a place where Youth can congregate and take part in recreations available under the guidance of a trained director.

In our quest for a Youth Center we need and now have: 1. A non-profit corporation, Youth Center, Inc., incorporated April 4, 1957; 2. A charter, obtained April 8; 3. By-laws, approved April 19; 4. A board of directors composed of one representative from each organization in Canal Point and Pahokee that wished to be a part of the non-profit Youth Center, Inc., which now has 16 directors; 5. A suitable site for a youth center building.

Our greatest needs at present are: 1. A youth center building; 2. Funds in the amount of \$15,000, for the purchase of the youth center grounds and the construction of the youth center building; 3. Membership cards that will be honored by other youth centers.

A few lots were offered free, as a site for the youth center but none of these were judged to be in a location suitable for a center by the board of directors. Funds amounting to approximately \$2,000 have been obtained through projects sponsored by a few organizations that wished to start the ball rolling for the youth center, there had to be a beginning some place.

Our children learn at home, school and church, under competent guidance in most instances. Yet away from these three places there is no good, clean place for our (continued on page 8)

Lampi Is Speaker At Clewiston Meet

Bandmaster Robert O. Lampi was guest speaker at a meeting of the Clewiston Band Association in the Clewiston elementary school auditorium Tuesday night.

Mr. Lampi was accompanied by a group of his Pahokee High School Band musicians who presented a musical program. Included in the group were Fred Blakey, baritone horn; Kenneth Williamson, snare drum; Sandra Lampi, oboe; Buddy Lampi, trombone; and a clarinet quintet composed of Jill McIlwain, Shirley Kincaid, Robbie Walker, Sean Brown and Lory Ann Rockwell. Lory Ann Rockwell, who also served as a majorette in the band during the past year, gave a baton twirling exhibition at the meeting in addition to playing the clarinet.

Co. Board Adopts New Zoning Laws

The fruits of months of planning and research by the County Commission went into the record books this week when the board officially adopted a new zoning code for Palm Beach County.

The commission Monday, after a second public hearing on new zoning statutes which will govern all building and construction in areas outside municipalities, placed its stamp of approval on the zoning code plus electrical and plumbing requirements for county area.

The new act became effective immediately and signaled start of work for a number of building and electrical inspectors, many of them now regularly employed as city inspectors but who will double for county inspections in their home areas.

The act provides for various types of residential, commercial, industrial and agricultural areas throughout the county, establishes setback lines on county and state roads and provides for construction to conform to recognized building codes. All construction work will be done under permits issued by the county zoning department.

The new zoning code began two years ago when the county commission obtained legislative approval for establishment of a county zoning department. Later, G. H. Schultz was employed as county zoning director to work with George Simons, Jacksonville, one of the state's outstanding zoning consultants.

Months of research and study by the zoning staff, in which scores of maps and charts were plotted to picture present and future land uses throughout the county, have been written into the new code.

Adoption of the code has already brought several requests for hearings on special exceptions to the act and commissioner Roy Michael, county zoning committee chairman, said hearings will be held early in June.

CHURCH SUPPER

The Church of God of Prophecy will have their monthly chicken dinner at the Community Building in Canal Point, Friday night, May 17, starting at 6 P. M. Adults \$1.25, Children 50c.

PHS Band To Have Concert May 21

The 57-piece Pahokee High School Band, under the direction of Bandmaster Robert O. Lampi, will present its Seventeenth Anniversary Concert in the high school auditorium Tuesday, May 21, at 8 p. m., the last of the series of free public concerts to be given by the band this season.

Special recognition will be given to the six Seniors who will be making their last public appearance as members of the PHS band. They are Fred Blakey, baritone horn; James Stamps, trombone; Rupert Mock, baritone saxophone; Carolyn Crosby, clarinet; Judy Shackford, alto clarinet; Lory Ann Rockwell, bass clarinet and majorette.

Featured on the program will be an alto saxophone solo, Chenette's "The Sax Queen," by Glenda Faye Rouson and a baritone horn solo, Kluffman's "My Buddy Folsa," by Fred Blakey.

Numbers by the band will include Smith's "The Baton Twirler's March," Bizet's "The Pearl Fishers Overture," Alford's Voice of the Guns March, "Bilik's "Block M March," Bennett-Walters-Yoder's "Arrangers Holiday," Yoder's "Git on Board," Yoder's "Dry Bones," Olivadotti's "Our Glorious Land March," Fred's "Finch Rhapsody No. 1," Farrell's "Gusto March" and Fillmore's arrangement of "The Star Spangled Banner."

The 1957 PHS Band, one of the best aggregation of musicians ever trained by bandmaster Lampi, won an all-superior rating by unanimous decision of the judges at the recent State Band Contest in West Palm Beach.

Manning I. Keen Presented Plaque

Pahokee Lions at their Tuesday luncheon meeting honored Manning I. Keen, past president of the club and past deputy district governor, by presenting him the club's "Lion of Year." He was presented with the Ralph Stanley Memorial Award Plaque, with Mrs. Ralph Stanley, widow of the late Ralph Stanley, widow after whom the award was named, making the presentation.

Mr. Keen was selected by his fellow Lions for this honor for his outstanding achievements in local Boy Scout work. He is Boy Scout Committee chairman and has served in many ways to promote the Scouting movement in Pahokee. The club is sponsor of Pahokee Boy Scout Troop 28 and Mr. Keen has worked closely with its scoutmasters in their successful efforts to make it one of the top troops in the Gulf Stream Council. He has made arrangements to present some of Troop 28 Scouts on the program at the Lions State Convention in Daytona Beach.

An impromptu program was presented at the meeting by Jerry Gold who called up on each club member for suggestions of ways to improve the community.

A plan to give the Florida Citrus Commission extensive powers to control production of frozen orange juice concentrate has been approved by the Florida Canners Association.

Cinematic Chatter

By Malcolm Miller

Hello everybody! Maria English, a 19-year-old, doll like beauty could easily decorate a large-sized museum with her many bathing beauty trophies. Maria, born Marleine Calle English, picked up all the fancy silver in San Diego, California, her birthplace. The daughter of Bertha Lenora and Arthur H. English, she was born January 4, 1934. Twelve years later, in 1946 she started modeling bathing suits. Maria is a nickname given by friends to the English family who took care of the little girl for about a year when her mother fell ill in 1959. She can't remember ever being called by her real name. When Maria was still a sophomore in high school she became a member of the Globe Theatre, a little

theatre acting company in San Diego. With the group she played important roles in "Mad Woman of Chaillet" and "Cricket on the Hearth." All the while she was attending high school, Maria worked as a professional model. As such she entered five major bathing beauty contests and walked away with first prize in all five. Maria's hobbies are centered around art. She enjoys painting in water colors, writing poetry, and collecting odd bits of driftwood, rocks and shells. She also takes great pride in her valuable collection of antique Chinese figurines. Although Maria has earned a fine reputation as an actress in San Diego, Paramount Pictures was equally impressed with her fabulous array of bathing beauty awards and signed her to a long term contract in 1952. See you at the movies—Mal.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week gave its approval for three new subdivisions in Palm Beach County which will open up a trio of new residential sections in this growing area.

Approved by the board was Lantana Heights plat; and addition to Crosley subdivision in Pehokee and an addition to College Park subdivision in Lake Worth.

The board also received a request for abandonment of Al-Marge subdivision plat in Pehokee, an area which has been used for farm land since it was platted.

The commission also accepted the recommendation of County Engineer Steve Middleton, to accept for county maintenance, roads and streets in Belvedere Heights which have been constructed to county specifications.

A replat to correct set back lines on three lots was approved for Polo Estates subdivision.

The week of May 19 to 25 has been designated Chamber of Commerce week in Florida and Palm Beach County in a resolution adopted Monday by the County Commission.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Pahokee Methodists Elect New Officers

Lloyd Hundley was elected chairman of the Official Board of the Pahokee First Methodist Church at the annual election of officers, with three new stewards, J. L. Tyson, Jr., James W. Vann and L. M. Collins, attending their first board meeting.

Other officers elected were J. L. Tyson, vice chairman, and Richard C. Lane, secretary. M. P. Holman, church treasurer, also serves as treasurer of the board.

The board voted to give a scholarship to a member of the Senior Methodist Youth Fellowship and another to a member of the Intermediate MYF to attend the summer session at the Methodist Youth Camp at Leesburg, these scholarships to include transportation expenses and registration fees.

The Rev. Wayne Owens was given permission to make arrangements for a Youth Revival at the church in August.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

Christian Science Group Of Canal Point

Humanity's need for spiritual growth and progress will be brought out at Christian Science services this Sunday.

Keynoting the Lesson-Sermon entitled "Mortals and Immortals" is the Golden Text from I Corinthians (15:53): "This corruptible must put on incorruption, and this mortal must put on immortality."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (265:5): "Mortals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of being, and gain some proper sense of the infinite."

—in order that sin and mortality may be put off." Scriptural selections to be read include the following from Psalms (89:15): "Blessed is the people that know the joyful sound: they shall walk, O Lord, in the light of thy countenance."

Mrs. Cleo Martin was called to Staunton, Va., the past week by the illness of her parents.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

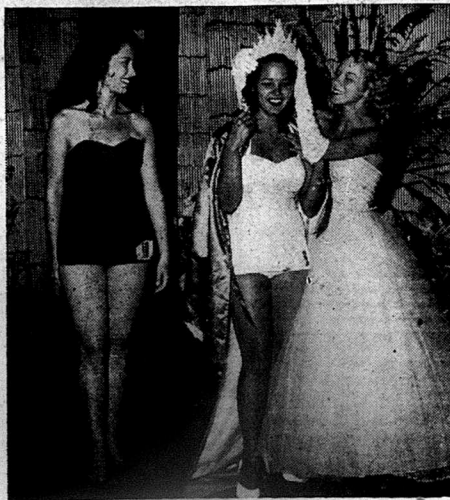

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Miss Frances Layton of Pahokee and Cypress Gardens (center) is being crowned Miss Seaside Fiesta of the 1956 event at New Smyrna Beach by retiring queen, Gloria Bell of Daytona Beach; while Linda Jones of Daytona, runner up, looks on. The 1957 Seaside Fiesta is scheduled to be held May 30 through June 2nd. The Fiesta officially opens the summer season at New Smyrna Beach and is one of the most colorful celebrations held in the state, attracting visitors from all sections of Florida.

Letter To The—

children to gather and be properly supervised in recreational activities. It is true the Legionnaires and Elks have given the use of their buildings to Teentown gatherings on certain nights but what about the free afternoons and the other six nights in the week. I would like to allow my children to go to the youth center for recreation with other children, but not every day as home training is also needed.

Some people don't see the need of a youth center but their children will find a way of being a part of it. Children need the companionship of other children and will find

a way to get it.

If you have any unanswered questions about the youth center, please feel free to call on me in person or by phone. Talk to any of these people: Hank Aldridge, Jack and Josephine Phillips, Lillian Beverly, Gertie Williams, Doris Sasser, Joel and Helen Brown, Melvin Spooner, Sonny Brown, Joe and Bill Alderman, Brooks Henderson, Osceola Upthegrove, Bernice Sellers or to the youth themselves, such as Bobby Mobley and Virginia Lee Crossman—they can tell you how urgently a good, supervised youth center is needed in this area and answer practically any question put before them.

This center, being planned to offer recreation to school children of all ages from the first grade up, has been needed for years but has been held back by a few "doubting Thomases" and by a lack of get up and go. We are up now and ready to go but need all of you to help us help all of the children.

of the county's road and bridge program, the board learned this week from Commissioner Paul Rardin that State Road 715 between Pahokee and Belle Glade does not now meet requirements of the state road code for classification as part of the state's primary road system.

The board joined Commissioner Ben Sundry, Delray Beach, in instructing the county engineering department to step up completion of right of way agreements for Boynton Beach West Road. The project has been delayed, Sundry said, because right of way agreements have not been completed for a portion of the road.

Council Against—

situation and when the new truck routes are established they would be enforced even if such enforcement required the adoption of new ordinances.

The Council voted to meet with officials of the County Board of Public Instruction Monday, May 20, for the purpose of negotiating with the board for a trade or the purchase of school land on Bacon Point Road now being used by the city as a public park.

A public hearing was conducted at the meeting prior to the adoption of an ordinance rezoning a plot of land owned by Duncan Padgett at the corner of Barfield Highway and Belle Glade Road from R-2, residential, to C-1, commercial.

The Council went on record as objecting to the proposal of the East Beach Water Control District to build two dams in the toe ditch on the land side of the Lake Okechobee Levee, this objection based on the past performance of the district in failing to properly maintain the ditch resulting in flooded conditions during periods of excessive rainfall.

It was voted for the city to join the Palm Beach County League of Municipalities, the annual fee being \$2 for every million dollars of taxable property within the city limits.

City Attorney Ralph O. Johnson was instructed to draw up an ordinance which would automatically cancel any unredeemed city tax certificates at the end of 20 years.

The city clerk was instructed to notify Mrs. L. L. Stuckey that all water meters on her property must be moved from their present positions up to a line next to the East Main Street sidewalk nearer the water main.

Girls' Tennis Team Wins Championship

The Pahokee Girls' Tennis Team won the Suncoast Conference championship May 7 by scoring 11 points out of a possible 12.

Judy Sanders took first place in the first division singles, while Judy Shackford took first place in the second division singles. Judy Shackford and Judy Sanders took first place in the first division doubles, while Betty Ann Raineri and Joan Jarriel were runners-up in the second division doubles.

The boys, though playing good tennis, didn't do as well as expected because of bad drawings and the fact their number one player, Cliff Stuart, was unable to attend. He was out of school during the matches.

This ends a very successful year of tennis for Pahokee High School. The record indicates that the teams and Mr. Thompson, their coach, have done a very creditable job.—The Devil's Tale.

TEENTOWN AT ELKS HALL

Teentown will be held in the social hall of the Pahokee Elks Club this Friday night at 8 p.m., according to Mrs. Lewis Friend, Youth of the Pahokee-Canal Point area are invited to attend.

Mrs. Ned Kocher Leaves Pahokee

Mrs. Ned Kocher left Tuesday for a visit with her daughter and family in Miami before going to Brooksville, Miss., where she will spend the summer with another daughter and family.

Before her departure Mrs. Kocher was honored at a luncheon given by Mrs. J. G. Thomas, Jr., Saturday at Mrs. Thomas's home. On Saturday afternoon she was again honored at a farewell tea given by Mrs. R. S. Douthitt and Mrs. W. M. DuBose at Mrs. Douthitt's home. Approximately 30 of Mrs. Kocher's friends were present.

Mrs. George Clingan will spend the weekend in Winter Haven visiting her husband and friends.
